Dear Supervisors,

My name is Olivia Sosa and I have resided in Elk Grove since the year 2000. I am writing to ask that the board select Map 102 or Map 107 because the city of Elk Grove should be kept together in one district with adjacent communities that have shared economic and social interests within our communities.

Map 104 splits up Elk Grove! This would weaken our voice so please reject that one! Also, a significant Asian Pacific Islander community resides in Elk Grove and in South Sacramento and Florin. Therefore, keeping these areas together ensures that this diverse community is kept together. Please support maps 102 or 107.

Thank you for your attention!

Regards,
Olivia Sosa
