I have lived in my home in Rancho Cordova for more than 43 yrs. If you approve this Second Draft, my City of Rancho Cordova will end up in two different Supervisory Districts: # 4 and #5.

I live in the area near Ambassador which would put me in #5. I feel that will cause conflicts within our City. I beg you to consider keeping Rancho Cordova in the same area, #4, as Folsom. We have the Folsom-Cordova School District. We are far away from the rest of area #4 and do not have the same interests and issues.

Please allow my area of Rancho Cordova to be included in #4 district.

Thank you.
