Dear Board of Supervisors,

I am a life long resident of Sacramento and am a member of the AAPI community. I live in District 1. I respectfully ask that you keep the AAPI community together and honor their request to be kept together. I support maps 101, 102, and 103. Keeping these communities of interest together will allow them to have better representation and not dilute or marginalize the AAPI's issues and concerns.

Thank you for your consideration.
